NOTES:

- Program Completions include Completions in Certificate, Degree and Diploma programs only.

* Students completing their final instructional portion in their apprenticeship program are included in the values above, as the Journeyman Program Type is a Certificate credential.

- These data describe only provincially-approved programming at publicly-funded post-secondary institutions in Alberta. Historically, the ministry appended Banff Centre enrolments to this total, which were related to non-approved programming; however, going forward, the ministry will report only provincially approved programming.
